480 Hours intensive THREE MONTHS COURSE | Tuitt Coding Bootcamp, Metro Manila, PH

BACHELOR OF SCIENCE IN Computer Science | The University of the Philippines, Los Banos, PH

300 Hours RESPONSIVE WEB DESIGN CERTIFICATION | freeCodeCamp.org

ABOUT ME

Hi, I am Ben aka FoldingBen, a full stack developer. I am a recent graduate at Tuitt Coding bootcamp and a freecodecamper as well. As someone who enjoys creating and building models out of paper, software development was an obvious path. I am a fast learner and can quickly integrate into a team so I can provide value to the company and the customers. Besides coding, I love spending quality time with my wife, watching movies, listening to U2, playing Supercell games, and most especially folding origami.
